

Baltic Model United Nations

– facing regional challenges in a globalized world –

Dear Sir or Madame,

On behalf of the entire organizing committee it is my great pleasure to invite you to the fourth session of Baltic Model United Nations (BALMUN) which will be held from May 26 to May 29, 2011 at Innerstädtisches Gymnasium in Rostock, Germany. Affirmed by the success of the three previous BALMUN conferences we decided to remain committed to our principles that are to guarantee an enriching experience for all participants, novices and experienced alike. With regard to this year's main topic "Designing Future Development Goals" delegates can be looking forward to encountering attractive and stimulating debate. We can offer you low participation fee of 20 € and a familiar atmosphere in the charming Hanseatic City of Rostock. Please visit our homepage www.balmun.de to learn more about this fabulous event and to register for BALMUN 2011. In any case we would like to encourage you to apply as soon as possible. Of course, BALMUN wants to be memorable for you outside of the committee as well. Therefore, our team works passionately in organizing social events and in making your stay as comfortable as possible. The true success of BALMUN however comes with the participation of the motivated and open-minded delegates as well the engaged teachers who conscientiously prepare them to attend. Please mark May 26 to May 29, 2011 on your calendar and feel free to contact us if you have any questions or concerns. We are looking forward to seeing you at BALMUN 2011.

Yours sincerely,

Oliver Hartwich
Secretary General 2011
