

UBC – Network on Youth Issues are glad to invite You to the Youth Conference:

## Young and Active in the Baltic Sea Region Vilnius 14th – 17th October

”Do you want  
to make  
your voice  
heard?”

Are You interested in discussing youth influence?

Do You want to make your voice heard?

Would You like to meet almost 90 other young people from the Baltic Sea Region to exchange experiences?

Then You are exactly what Network on Youth Issues is looking for!

**14th-17th October 2005**, Network on Youth Issues will arrange a conference in Vilnius, Lithuania and it will be focused on youth influence. This is an opportunity for You to say what You think about youth politics and how You want it to be. An opportunity to make your voices heard all around the Baltic Sea Region!

**Participants:** 8 young people (16-25years old) and two civil servants from each country in the Baltic Sea Region.  
(Norway, Denmark, Finland, Sweden, Germany, Poland, Russia, Lithuania, Latvia and Estonia)

**Costs:** Participants from Norway, Denmark, Finland and Germany have to finance their travel by them selves. Lodging and all meals will be covered.

For participant from Sweden, Poland, Estonia, Latvia, Russia and Lithuania all costs will be covered.

If more then two civil servants from each country want to participate, it's possible to arrange, but they will have to cover all costs by themselves.

Does this sound interesting? Please contact the person responsible for participators from your country before deadline Friday, 2nd September, 2005

Please add a couple of lines about yourself and what You think that You can contribute with at the conference.

Union of the Baltic Cities is a network of around 100 cities from 10 countries in the Baltic Sea Region. It was established in 1991 in Gdansk, according to the will of 32 founding cities.

The main goal of the UBC is to actively contribute to the democratic, social, economic and environmentally friendly development of the Baltic Sea area for the benefit of the citizens living in the region. Today, the Union of the Baltic Cities is recognised as an influential and effective mechanism for co-operation and communication in the BSR.
