Invitation to the Open Meeting of UBC Commission on Youth Issues

Commission on Youth Issues has the pleasure of inviting you – civil servant, responsible for youth issues and youth representative of your city – to the Open Meeting of UBC Commission on Youth Issues which will take place 13 – 15th of April 2009 in Riga.

There are several questions to be discussed – upcoming youth conference “Bridges over the Sea” in September 2009, new projects to start, how to officially join the Commission and benefit from the Baltic Sea network through UBC. We also expect the cities to introduce their youth information work and we will have possibilities to get to know some good practices of Riga's youth work.

Preliminary program and guidelines for registration will be enclosed with this invitation. Please notice that deadline for registration is 25th of March 2009. We kindly ask you to take care of your accommodation; traveling and local transport costs (if you are not involved in the project “Different History – Common Future...”). All meals and working materials will be provided.

I hope you will find the time to come and participate at the meeting. Commission on Youth Issues is indeed the network full of possibilities and it is up to us how we use them in the benefit of our cities.

Sincerely,

Kala Jäppinen
Deputy Mayor of Tallinn
Chairman of the UBC Commission on Youth Issues
