

UBC ENERGY
COMMISSION

Oskarshamn,
2009-07-21

Heartily welcome to the UBC Energy Commission's meeting the 17-18th of September in Kalmar, Sweden. The meeting will be held in connection to the China Baltic Sea Business Forum. This will give us an opportunity to advocate the Baltic Sea Region and the work being done in the member cities of the UBC. Hope to see you there.

Best regards,

Stefan Windh

Chairman of the UBC Energy Commission
