3rd September 2008, Tallinn and Turku

Dear UBC Friends,

It is our honour and pleasure to invite you all to the Meeting of UBC Commission on Environment, which will be held in Tallinn, Estonia 30th to 31st October 2008.

The meeting will focus on *Cities and the Baltic Sea Strategy – concretising the next UBC Sustainability Action Programme 2009-2015*. In the meeting a broad and active discussion among the UBC member cities will continue. The Commission on Environment wants to answer to the current needs and wishes of the cities and therefore asks cities to **submit proposals for topics, speakers or case studies** you would like to present during the brainstorming session of the meeting. These proposals will be incorporated to the meeting programme. Please, send your proposals to: [bjorn.gronholm \(at\) ubc.net](mailto:bjorn.gronholm@ubc.net) by 26th September 2008.

This meeting will offer an efficient networking opportunity for the cities to exchange experiences, learn from each others, discuss of possible common project ideas and establish co-operation, not just within the Commission on Environment, but also with other UBC Commissions.

UBC cities are asked to have a look at the practical information on the meeting and register to the meeting by 26th September 2008.

Yours faithfully,

Guldbrand Skjönberg Mikko Jokinen
