<http://www.nendre.org/>, <http://www.peace.ax/en/equality-a-gender/metodologies/111-nendre>

Nendre work with providing a broad range of social services to single-mother families including day care for pre-school children, free time activities for school children, individual and family counselling, case management, crisis intervention as well as social home services. The mission of Nendre is to prevent stigmatization of socially marginalized families and to support their integration into the society.

10.00 Study visit to the European institute for gender equality (EIGE)

<http://eige.europa.eu/>

EIGE is a European Union agency which supports the EU and its Member States in their efforts to promote gender equality, to fight discrimination based on sex and to raise awareness about gender equality issues.

Its tasks are to collect and analyse comparable data on gender issues, to develop methodological tools, in particular for the integration of the gender dimension in all policy areas, to facilitate the exchange of best practices and dialogue among stakeholders, and to raise awareness among EU citizens.
