

INVITATION

Dear Sir / Madam,

“Challenge of eCitizen – Promoting eGovernment Actions in European Cities”, a project financed by the INTERREG IIIC North programme, is ending by the end of this year. eCitizen’s concrete results and the strong will of the project partners to continue the well-established cooperation encourage to start planning a new phase in interregional collaboration on eGovernment actions.

You are warmly welcome to the seminar **“eCitizen 2.0 –The First Preparation Seminar”** that takes place on **11 December 2007 in Brussels**. The seminar is organised jointly by Challenge of eCitizen project and the Union of the Baltic Cities Commission on Information Society (UBC IS Com).

Potential financing programmes will be introduced, as well as the eParticipation initiative of the EU Commission. The role and activities of UBC IS Com and the results of the eCitizen project are also included in the programme. The day ends with a discussion session where a true think-tank on the future is made possible.

The participants are kindly asked to fill in the registration form at http://www.baltic.org/events/current_events/ by **4 December 2007**.

The preliminary programme is enclosed. Participation is free of charge.
