

INTA presents in collaboration with the City of Tallinn:

INTA INTERNATIONAL ROUNDTABLE

RETHINKING PUBLIC BUILDINGS FOR A NEW CIVIC LANDSCAPE:

City Halls as Headquarters for Intelligent Cities

A forward-looking and interactive discussion between global practitioners and local stakeholders to explore the changing role of the public building and its contribution to civic interactions. Open to all professionals active in all fields of urban development.

TALLINN, ESTONIA | 27-28 May 2011 9-18h | Tallinn City Council
