Invitation to the Open Meeting of the UBC Commission on Youth Issues

Dear members of the UBC network,

On behalf of the City of Riga it is my pleasure to invite you to the Open Meeting of the UBC Commission on Youth Issues, which will take place in Riga (Latvia) on 8th – 11th October 2014.

As the economies of the Baltic Sea cities start recovering from the financial downturn, one can't deny that its effect on the sensitive groups of inhabitants (and young people in particular) will have a lasting effect. Therefore social inclusion of young people and non-formal learning as one of its instruments have been defined as the key topics for the meeting.

Being an active member of the UBC Commission on Youth Issues ourselves, we are convinced that this meeting will create space for exchange of knowledge and foster further cooperation among the UBC cities.

Detailed programme of the meeting and information about practical arrangements will be disseminated shortly by the organizers.

Yours sincerely,

*Andris Ameriks
Acting Chairman*
