

UBC Charlotta Rock Festival, 12-13 June 2015:

The final 14 has been announced!

We are pleased to inform that the results of the first stage of the festival have been announced.

So far the UBC Charlotta Rock Festival has met with wide interest. 47 applications from 8 Baltic Sea countries have been received. The artistic level was very high.

Jury had a very hard decision to make because they were only allowed to choose 14 bands.

After a long hours of debates the following bands have been qualified:

- | | |
|-----------------------------------|-------------------------------|
| * Ortalion - Poland | * Coal & Crayon - Germany |
| * Ziggy Wild - Estonia | * Brontupisto - Norway |
| * Garbanotas Bosistas - Lithuania | * Rock & Roll Train - Denmark |
| * Jamie Lee Band - Germany | * Dawn - Finland |
| * Kelvin - Norway | * Crow Mother - Latvia |
| * Silhouette - Denmark | * Laime Pilniga - Latvia |
| * Kitava - Lithuania | * Vanvidd - Norway |

CONGRATULATIONS!

The organizers would like to thank those bands that haven't had that much luck. The hosts would like to stay in touch with those bands and invite them to Charlotta Valley for the following editions of the UBC Charlotta Rock Festival.

The organisers wish every band the best of luck and lots of success in private and professional life.
