

WHAT **IDEAS** AND **VALUES** WE TRY TO BRING INTO LIFE?

Wide, social
participation

Three pillars of activity impact:
prevention, intervention, reintegration

Stable but flexible
s t r u c t u r e s

Sustainable
development

March as fast as **You** can,
cause if You will try to stand still,
You will move backwards

Tailor made
services

impossible
is **no**thing

Structural change
demands investments
(intellectual, financial, emotional)

Top level of our **effectiveness**
will be, when our institution
is unnecessary anymore

WHAT DO WE DO?
